

## What Leaders Are Saying

"To pray for the peace of Jerusalem is to pray, 'Lord let your Kingdom come and your will be done on earth' not only in the ultimate revelation of His King coming from Heaven, but in the present revelation of God's peace as it comes into our hearts in a troubled world."

~ **Jack Hayford** DPPJ Co-Chairman

"Through Eagles' Wings, we're seeing African Americans, Hispanics, Asians, and all races coming together and saying we're all committed to the Peace of Jerusalem, we're all committed to Israel and the Jewish people. I believe Robert is a prophetic voice that has emerged for such a time as this in engaging for the peace of Jerusalem, and for the nation of Israel, uniting the Body of Christ"

~ **Samuel Rodriguez**, President,  
National Hispanic Christian Leadership Conference  
DPPJ Co-Chairman

"I am so excited about this history-making opportunity of the Day of Prayer for the Peace of Jerusalem, led by Robert Stearns on the first Sunday of every October...believers from around the world are manning the battle stations as we go before God in prayer."

~ **T.D. Jakes**, Senior Pastor, The Potter's House
